**Dispatch Supervisor:** On September 26, Dispatcher Staci Williamson was promoted to Dispatch Supervisor. This is the first full time dispatch supervisor position we've had in over a decade and it was much needed. Congratulations to Staci!

The Police Department also hired three new dispatchers, Danielle Sims, Victoria Winfrey and Natalie Gassaway. Sims and Winfrey have started and Gassaway has a start date in mid-October. The new dispatch and supervisor positions are funded by the revised Placer County Tax Sharing Agreement. We welcome their arrival.

**Independent Redistricting Commission (IRC):** We held the 1st Public Hearing / Workshop for the Independent Redistricting Commission on September 15<sup>th</sup>. This is the code-mandated review of City Council district boundaries that must be conducted following each U.S. Census. The idea is to maintain viable, equitable Council districts. The agenda, draft minutes and video can be seen on the Redistricting Portal (<https://redistricting.lincolncalifornia.gov/>). Also, on that page is the LIVE modeling tool loaded with the 2020 Census data (<https://redistricting.lincolncalifornia.gov/pages/district-scenario-modeler-tool>). We will be including the schedule of IRC meetings, see below, in a utility bill insert going out in October to hopefully get as much participation as possible in the redistricting process.
